Landmark Law Cases and American Society

Peter Charles Hoffer and N. E. H. Hull, Series Editors

Winner of the prestigious Scribes Award from the American Society of Legal Writers

About the series

Designed for the classroom and general reader, the Landmark Law Cases and American Society series is composed of compact, authoritative volumes by leading scholars. Blending social and legal history, each volume illuminates a significant American law case (or cases); traces its origins, issues, personalities, and consequences; and shows how it enlarges our understanding of American law and society.

“These volumes usefully mix social, political, and legal history in understanding the courts’ grappling with modern conflicts and established principles.”—*Reviews in American History*

“Volumes in the series are consistently informative, creative, and easily accessible.”
—Scribes Book Prize Committee

“The series’ primary virtue (among many) is that it does not limit its definition of ‘landmark’ to those cases that, for better or for worse, occupy space in the pantheon of American law. It also features cases that were once regarded as important and still should be so regarded—but that seem to have slipped through the cracks.”
—*Law and Politics Book Review*

New York Times v. Sullivan **Civil Rights, Libel Law, and the Free Press**

Kermit L. Hall and Melvin I. Urofsky

“By connecting what most commentators have seen as a controversial freedom of press case to the contentious civil rights movement that produced it, Hall and Urofsky have provided new insights into both legal and political history. An excellent and accessible book about an important moment in American history.”—Steven F. Lawson, author of *Civil Rights Crossroads: Nation, Community, and the Black Freedom Movement*

“A remarkably timely book.”—Todd Gitlin, author of *The Sixties: Years of Hope, Years of Rage*

232 pages, (1802) \$34.95 cloth, (1803) \$17.95 paper

The Constitutional Rights of Children

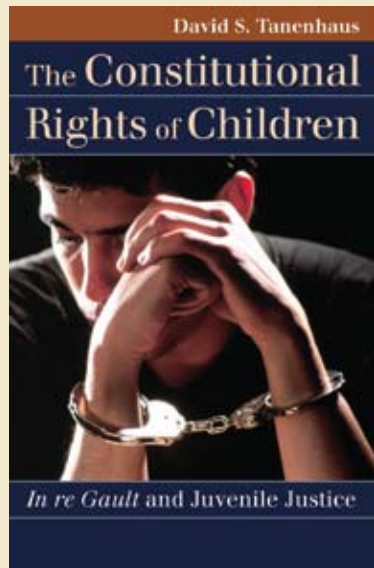

In re Gault and Juvenile Justice

David S. Tanenhaus

“A marvelous study that delivers a richly detailed, meticulously analyzed, and elegantly written exploration of the Court’s seminal decision concerning the procedural rights of children. . . . An outstanding book.”—Barry C. Feld, author of *Bad Kids: Race and the Transformation of the Juvenile Court*

“Tanenhaus brings the *Gault* case alive and shows how a seemingly trivial event can illuminate a very broad legal landscape.”—Michael Grossberg, coeditor of the three-volume *Cambridge History of Law in the United States*

176 pages, (1813) \$29.95 cloth, (1814) \$16.95 paper

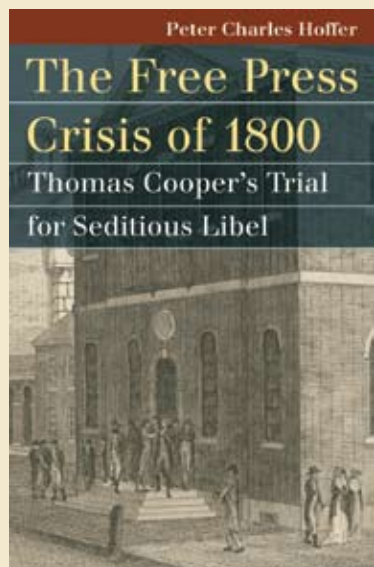

The Free Press Crisis of 1800 **Thomas Cooper’s Trial for Seditious Libel**

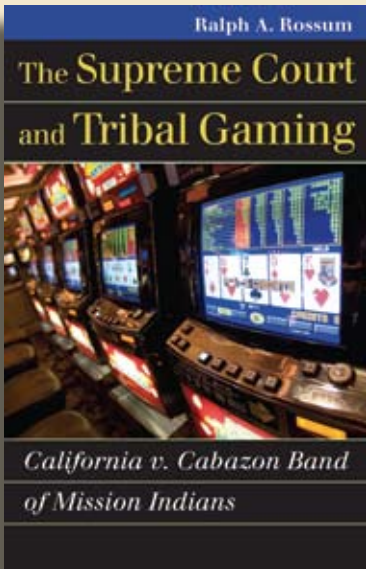

Peter Charles Hoffer

“A terrific piece of work by one of our very best historians. Written with verve and authority, it provides a masterful account of a little-known story with powerful implications for the subsequent history of free speech.”—Peter S. Onuf, author of *Jefferson’s Empire: The Language of American Nationhood*

“Brilliantly details the legal and political issues that underlay Cooper’s trial, and imaginatively connects them to later moments of crisis in America’s history.”—Maeva Marcus, editor of the multi-volume *Documentary History of the Supreme Court of the United States, 1789–1800*

168 pages, (1764) \$34.95 cloth, (1765) \$16.95 paper

The Supreme Court and Tribal Gaming

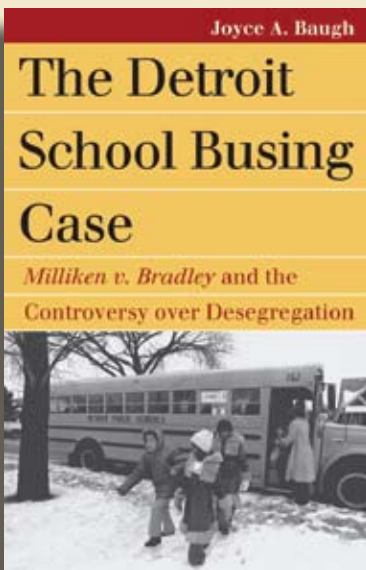

California v. Cabazon Band of Mission Indians

Ralph A. Rossum

“Some view *Cabazon* as an emphatic ruling supporting tribal sovereignty, while others see it as a deeply compromised decision that elevated state government’s role in internal native affairs. Rossum deftly situates the case historically, legally, and culturally, and persuasively argues that this is one of the more important decisions ever handed down by the High Court.”—David E. Wilkins, author of *American Indian Sovereignty and the U.S. Supreme Court*

“Rossum’s well researched book hits all the crucial topics and deals comprehensively with a host of complex issues in a clear, concise, and interesting manner. I wholeheartedly endorse it.”—Alexander Tallchief Skibine, S.J. Quinney Professor of Law, University of Utah

216 pages, (1777) \$34.95 cloth, (1778) \$16.95 paper

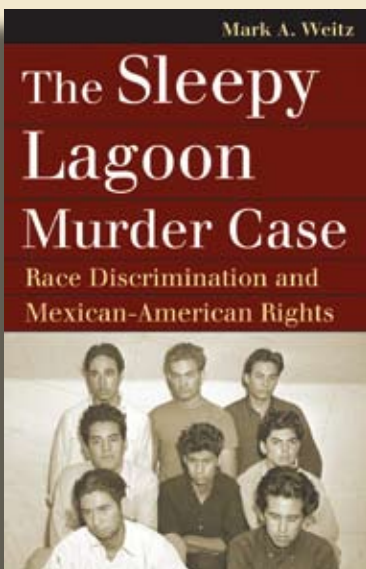

The Detroit School Busing Case

Milliken v. Bradley and the Controversy over Desegregation

Joyce A. Baugh

“An important book on the most important school desegregation case since *Brown v. Board of Education*. . . Full of riveting descriptions of the Supreme Court Justices’ internal deliberations, the Nixon administration’s maneuverings, and a contemporary political context that included anti-busing riots in Boston and growing demands from ‘liberal’ northern congressmen for a constitutional amendment to bar busing.”—Michael J. Klarman, professor at Harvard Law School and author of the Bancroft-Prize winning *From Jim Crow to Civil Rights*

248 pages, (1766) \$34.95 cloth, (1767) \$17.95 paper

The Sleepy Lagoon Murder Case

Race Discrimination and Mexican-American Rights

Mark A. Weitz

“Weitz brings to the case a keen understanding of law and courtroom dynamics, helping readers to understand more completely its importance for legal history. Looking at it from a legal perspective is entirely new and is an important contribution.”

—Eduardo Obregón Pagán, author of *Murder at the Sleepy Lagoon: Zoot Suits, Race, and Riot in Wartime L.A.*

232 pages, (1746) \$34.95 cloth, (1747) \$17.95 paper

Roe v. Wade

The Abortion Rights Controversy in American History

Second Edition, Revised and Expanded

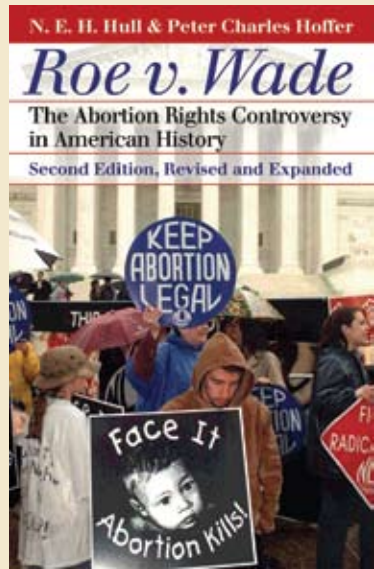

N. E. H. Hull and Peter Charles Hoffer

This updated edition covers abortion politics and legal battles in the post-9/11 era.

“A page-turner that is also very scholarly, this remarkable book should be popular with lay readers and law scholars alike.”—*Publishers Weekly*

“The authors take an evenhanded approach to abortion without advocating a policy position or preaching the moral implications of either side. Thus the book is well suited for the classroom as it allows the instructor to facilitate a debate on abortion without alienating large segments of students.”—*Law and Politics Book Review*

384 pages, (1753) \$39.95 cloth, (1754) \$19.95 paper

Mendez v. Westminster

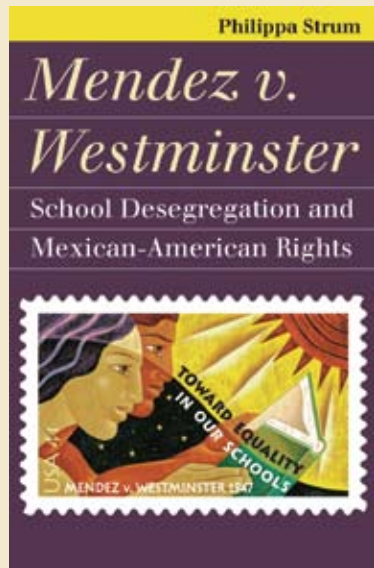

School Desegregation and Mexican-American Rights

Philippa Strum

“Strum brings the people and debates of the case vividly to life, particularly the dedication of the Latino parents at the center of the case who fought for equal education for their children in public schools. This book reminds us of the key part that Latinos have played, together with African-Americans, in the continuing battles for civil rights for all Americans in the United States.”

—Michael Jones-Correa, author of *Between Two Nations: The Political Predicament of Latinos in New York City*

192 pages, (1718) \$34.95 cloth, (1719) \$16.95 paper

Bush v. Gore

Exposing the Hidden Crisis in American Democracy

Abridged and Updated

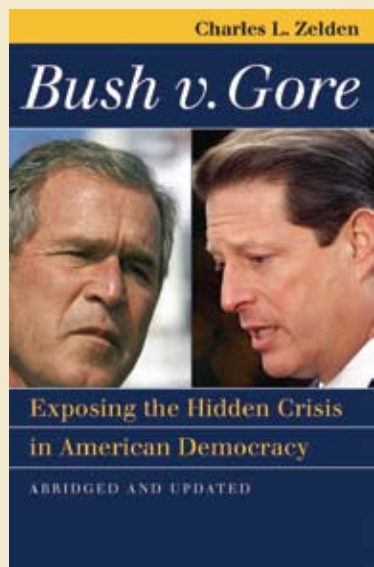

Charles L. Zelden

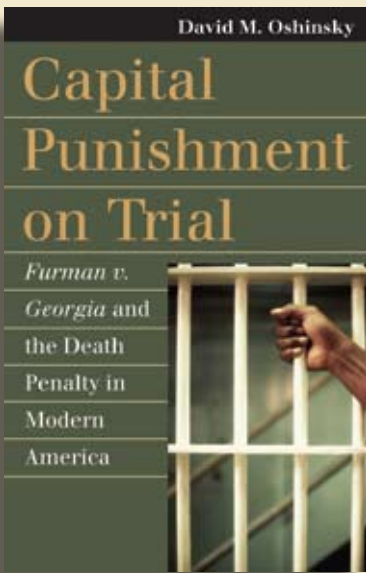

“A comprehensive, provocative, and timely study of the high-stakes legal drama of the 2000 presidential election.”—*Publishers Weekly*

“Zelden’s book reads as a journalistic account, with the drama of a novel, but with circumstances that are stranger than fiction. . . . Invaluable to scholars, students, and anyone interested in understanding the confusion and the litigation that surrounded the 2000 presidential election in Florida.”—*Law and Politics Book Review*

“A must-read for anyone who cares about the future of American democracy.”—*Dallas Morning News*

312 pages, (1749) \$19.95 paper

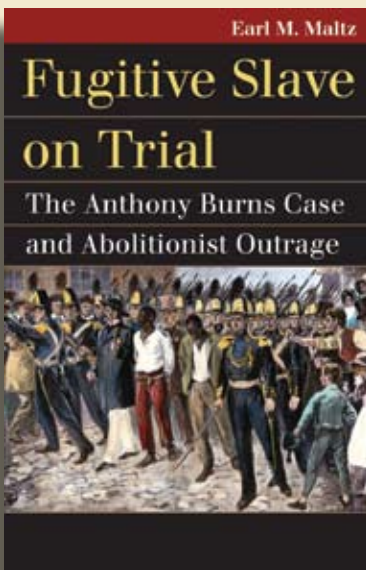

Capital Punishment on Trial *Furman v. Georgia* and the Death Penalty in Modern America

David M. Oshinsky

“A compact and readable introduction to some of the most important moments and cases in the history of the death penalty.”—*Choice*

“A richly detailed and rewarding synopsis of this frustrating but critical issue. Oshinsky’s careful scholarship and breadth of detail paint a troubling picture of the high court’s convoluted capital jurisprudence.”—*Law and Politics Book Review*

160 pages, (1710) \$29.95 cloth, (1711) \$14.95 paper

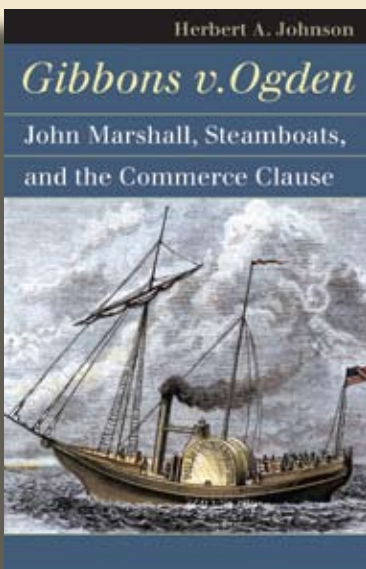

Fugitive Slave on Trial The Anthony Burns Case and Abolitionist Outrage

Earl M. Maltz

“Innovative, fresh, and provocative, this well-crafted page turner centers on the trial of Anthony Burns, whose status as slave or freedman was in great dispute. Filled with colorful characters and a twisting plot worthy of Agatha Christie, it pushes well beyond the fate of Burns himself to cover the vehement backlash against trial judge Edward Loring, who was forced to leave the bench.”—*Sally Hadden*, author of *Slave Patrols: Law and Violence in Virginia and the Carolinas*

“A level-headed, learned account of the most important contest between law and morality in American history.”—*Mark A. Graber*, author of *Dred Scott and the Problem of Constitutional Evil*

192 pages, (1735) \$34.95 cloth, (1736) \$17.95 paper

Gibbons v. Ogden John Marshall, Steamboats, and the Commerce Clause

Herbert A. Johnson

“An original and authoritative study of the ‘steamboat monopoly case’ by a master historian that should be required reading for all serious students of American constitutional law.”—*Charles F. Hobson*, author of *The Great Chief Justice: John Marshall and the Rule of Law*

“Johnson brings the case alive. What had been a canonical citation becomes a drama of fascinating characters, changing technology, fortunes to be made, and, most of all, power. A substantial achievement.”—*Paul Kahn*, author of *The Reign of Law: Marbury v. Madison and the Construction of America*

216 pages, (1733) \$34.95 cloth, (1734) \$17.95 paper

The Sodomy Cases

Bowers v. Hardwick and Lawrence v. Texas

David A. J. Richards

“No Supreme Court decision has had greater impact on gay men and lesbians than *Lawrence*. In this concise book, David Richards manages to explain not only *Lawrence* but also the longer history of jurisprudence on privacy and sexuality that led us there. Students of history, law, and many other fields will find this book invaluable.”—**John D’Emilio**, coauthor of *Intimate Matters: A History of Sexuality in America*

“The legal analysis is a tour de force, seamlessly weaving multiple strands of post-World War II jurisprudence into a coherent argument.”—**Evan Gerstmann**, author of *Same-Sex Marriage and the Constitution*

232 pages, (1636) \$35.00 cloth, (1637) \$16.95 paper

One Man Out

Curt Flood versus Baseball

Robert M. Goldman

“Goldman’s reconstruction of Curt Flood’s challenge to baseball’s reserve clause is a winner! He not only offers a highly readable account of the case itself and its main protagonist, but also provides abundant insights into a watershed moment in the history of race and the labor-management relationship in America’s National Game.”—**Benjamin G. Rader**, author of *Baseball: A History of America’s Game*

“Goldman’s readable and insightful book makes a significant contribution to the literature about baseball and the law. Curt Flood was a great hero in the struggle for players’ rights, and Goldman paints a nuanced portrait of the man and his cause.”

—**Roger I. Abrams**, author of *Legal Bases: Baseball and the Law*

200 pages, (1602) \$35.00 cloth, (1603) \$16.95 paper

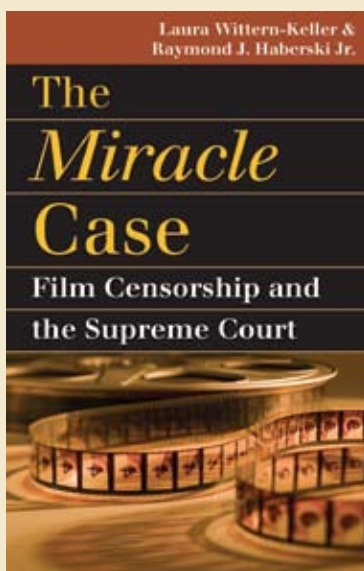

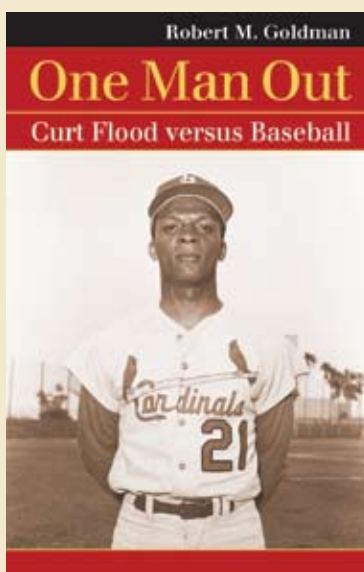

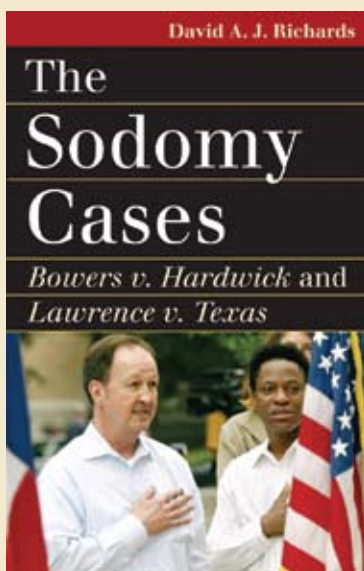

The Miracle Case

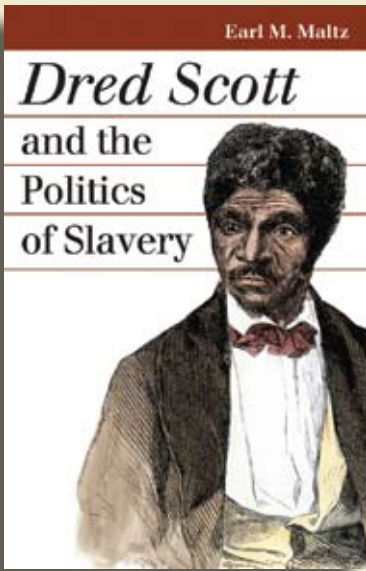

Film Censorship and the Supreme Court

Laura Wittern-Keller and Raymond J. Haberski Jr.

“An important milestone in the history of America’s ‘cultural wars,’ the Supreme Court’s 1951 decision in *Burstyn v. Wilson* deserves to be told in greater detail than previously provided by general histories of film censorship. Thanks to Wittern-Keller and Haberski that has now been accomplished.”—**Gregory D. Black**, author of *Hollywood Censored: Morality Codes, Catholics, and the Movies*

256 pages, (1618) \$35.00 cloth, (1619) \$16.95 paper

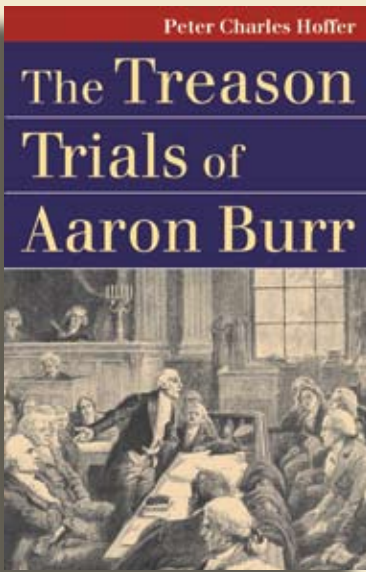

Dred Scott and the Politics of Slavery

Earl M. Maltz

“A penetrating and readable study of one of the most controversial cases in American constitutional history. Maltz skillfully situates *Dred Scott* in the complex political and legal climate of the 1850s and demonstrates how the decision heightened sectional tensions. His masterly and balanced account will enlighten both scholars and students.”—James W. Ely Jr., author of *The Guardian of Every Other Right: A Constitutional History of Property Rights*

“Maltz clarifies the legal complexities of *Dred Scott* while illuminating the larger forces that produced it. Brimming with insights, this book is a model study of a landmark case.”—Timothy S. Huebner, author of *The Southern Judicial Tradition: State Judges and Sectional Distinctiveness, 1790–1890*

184 pages, (1502) \$29.95 cloth, (1503) \$15.95 paper

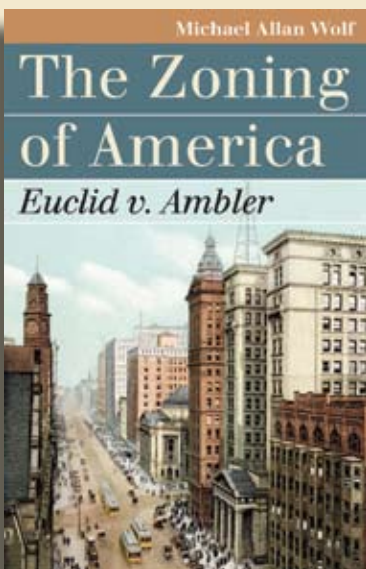

The Treason Trials of Aaron Burr

Peter Charles Hoffer

“Hoffer musters a stellar cast—Burr, Jefferson, and Marshall—to reveal dramatic trials that tested the rule of law and probed the nature of treason in the early republic. Vivid and persuasive, his book illuminates constitutional issues of compelling and enduring importance.”—Alan Taylor, author of *William Cooper’s Town: Power and Persuasion on the Frontier of the Early American Republic*

“A prolific and insightful chronicler of American legal history, Peter Hoffer once again shows that he is adept at finding timely lessons for today in past cases and controversies.”—Edward J. Larson, author of *A Magnificent Catastrophe: The Tumultuous Election of 1800, America’s First Presidential Campaign*

224 pages, (1591) \$35.00 cloth, (1592) \$16.95 paper

The Zoning of America *Euclid v. Ambler*

Michael Allan Wolf

“After 80 years, *Euclid v. Ambler* is still the case that defines American land use jurisprudence. Wolf tells a great story, brilliantly showing the intersection of law, politics, and culture.”—Lance Liebman, William S. Beinecke Professor of Law, Columbia University

“Wonderful and compelling, Wolf’s book tells the story of *Euclid v. Ambler* in detail for the first time.”—Daniel R. Mandelker, author of *Planning and Control of Land Development*

208 pages, (1620) \$35.00 cloth, (1621) \$16.95 paper

Little Rock on Trial

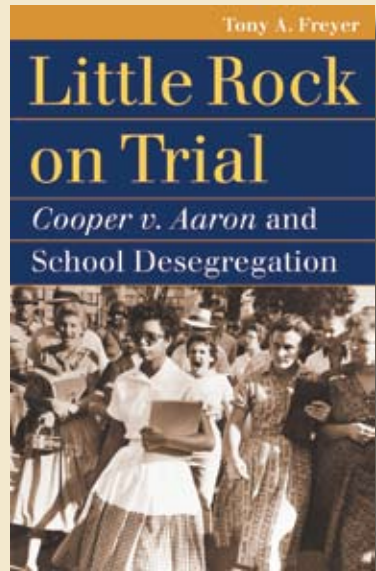

Cooper v. Aaron and School Desegregation

Tony A. Freyer

“A riveting tale of struggle between southern segregationists and civil rights advocates, political intrigue, Cold War conflict, legal machinations, and the use of federal paratroopers to defend the rights of black Americans. Deeply researched and powerfully written, *Little Rock on Trial* is essential reading for anyone interested in understanding this critical episode in America’s racial transformation.”

—Michael J. Klarman, author of the Bancroft Prize-winning *From Jim Crow to Civil Rights*

274 pages, (1535) \$35.00 cloth, (1536) \$17.95 paper

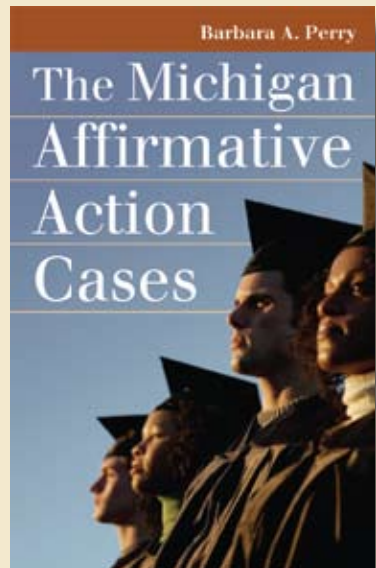

The Michigan Affirmative Action Cases

Barbara A. Perry

“An excellent book and a high-quality addition to the literature on affirmative action and higher education. Easy to read and comprehend, it will be required reading in my class—Legal Issues in Higher Education—and could well become a common addition to law school coursework and education and/or policy graduate programs across the nation.”—M. Christopher Brown II, author of *The Quest to Define College Desegregation*

“A very good survey on the impact of the Michigan cases, one that should appeal to students and anyone interested in affirmative action.”—Terry H. Anderson, author of *The Pursuit of Fairness: A History of Affirmative Action*

232 pages, (1548) \$35.00 cloth, (1549) \$16.95 paper

Winner of the Langum Prize in American Legal History

The Battle over School Prayer

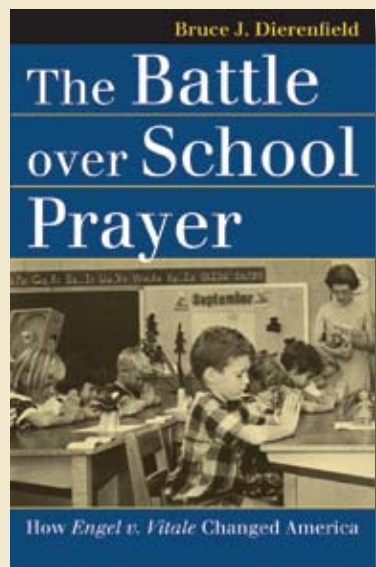

How Engel v. Vitale Changed America

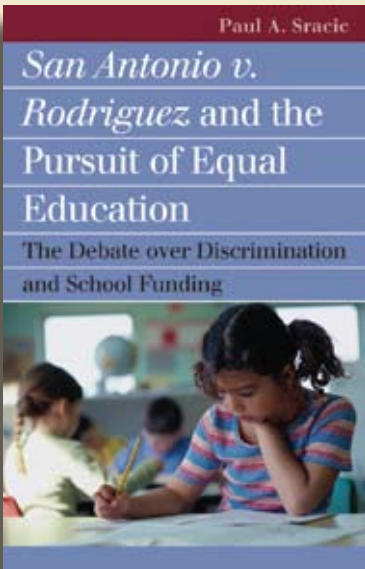

Bruce J. Dierenfield

“The most readable, entertaining, refreshing, enlightening account of the Engel case yet written.”—Derek H. Davis, author of *Original Intent: Chief Justice Rehnquist and the Course of American Church/State Relations*

“Never loses sight of the crucial fact that the controversy over religion in public schools belongs not to the captains and the kings but to ordinary people whose convictions—and passions—drive them to do what they believe they must.”—Joan DelFattore, author of *The Fourth R: Conflicts Over Religion in America’s Public Schools*

240 pages, (1525) \$35.00 cloth, (1526) \$15.95 paper

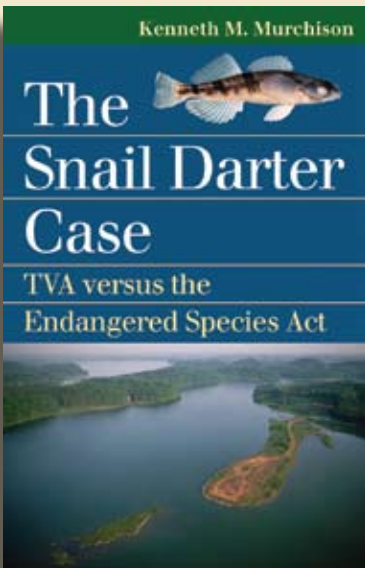

San Antonio v. Rodriguez and the Pursuit of Equal Education

The Debate over Discrimination and School Funding

Paul A. Sracic

“I was a participant in this litigation, coauthoring a number of briefs, and I have been involved in school finance issues for more than 30 years. In my judgment this is the best work I have ever read on the foundational *Rodriguez* case. . . . The interwoven stories of the participants are fascinating and the text is engaging, lucid, and accurate, and certainly accessible to the general reader. But scholars will not find the work lacking. Sracic has done his homework, and it shows on every page.”—Mark Yudof, Chancellor of the University of Texas System and coauthor of *Education Policy and the Law*

176 pages, (1483) \$29.95 cloth, (1484) \$15.95 paper

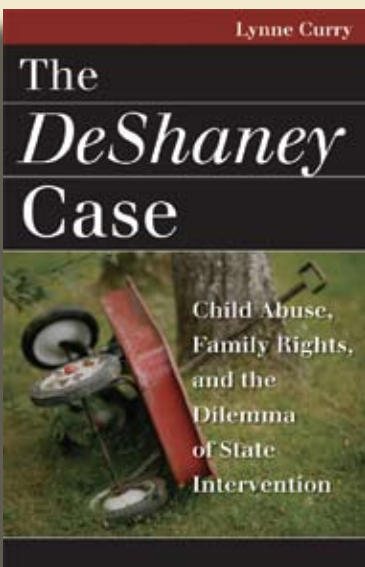

The Snail Darter Case

TVA versus the Endangered Species Act

Kenneth M. Murchison

“I lived the legal saga of the snail darter for six years, and so understand better than most just how effectively Murchison has explored and analyzed that case’s remarkably complex and shifting agglomeration of law, politics, institutional history, and environmental consciousness. The book is an impressive accomplishment.”—Zygmunt Plater, coauthor of *Environmental Law and Policy: Nature, Law, and Society*, and petitioner and attorney in the snail darter case

240 pages, (1504) \$35.00 cloth, (1505) \$15.95 paper

The DeShaney Case

Child Abuse, Family Rights, and the Dilemma of State Intervention

Lynne Curry

“A gripping story of the real people and events behind the case, interwoven with another story—that of the child welfare system and its related laws and policies—with each story illuminating the other.”—Elizabeth Bartholet, author of *Nobody’s Children: Abuse and Neglect, Foster Drift, and the Adoption Alternative*

“Curry’s stunning analysis of this case brings to life our Constitution’s fundamental values. A tour de force.”—Roger Levesque, author of *Child Sexual Abuse and Culture and Family Violence*

176 pages, (1496) \$29.95 cloth, (1497) \$15.95 paper

M’Culloch v. Maryland

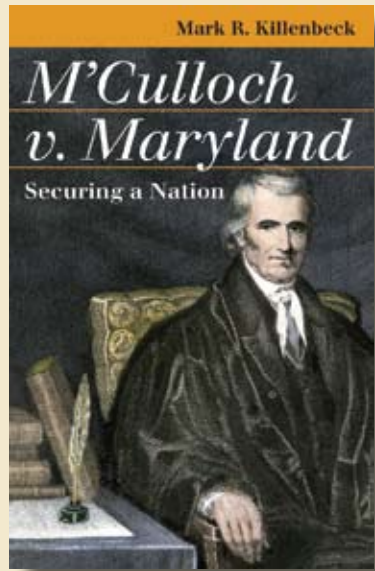

Securing a Nation

Mark R. Killenbeck

“Killenbeck’s lively and informative study authoritatively demonstrates why *M’Culloch v. Maryland* is the Supreme Court’s foundational case in defining the nature of the Constitution and the scope of federal powers.”—Charles F. Hobson, author of *The Great Chief Justice: John Marshall and the Rule of Law* and editor of *The Papers of John Marshall*

“An engagingly written and well-researched survey that demonstrates the formative and fundamental influence that *M’Culloch* continues to exert over American constitutional doctrine.”—Herbert A. Johnson, author of *The Chief Justiceship of John Marshall, 1801–1835*

232 pages, (1472) \$35.00 cloth, (1473) \$16.95 paper

Mapp v. Ohio

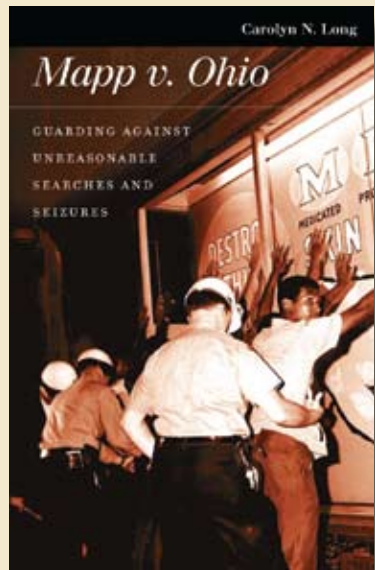

Guarding against Unreasonable Searches and Seizures

Carolyn N. Long

“A lively, colorful and insightful account—and the most comprehensive one I have ever read—of the case that set off the Warren Court’s revolution in American criminal procedure.”—Yale Kamisar, author of *Police Interrogation and Confessions*

“A lucid, fair-minded, and entertaining account of one of the Supreme Court’s seminal criminal law decisions, and of the woman whose stubbornness made it happen.”—Joshua Dressler, author of *Understanding Criminal Procedure*

224 pages, (1440) \$35.00 cloth, (1441) \$15.95 paper

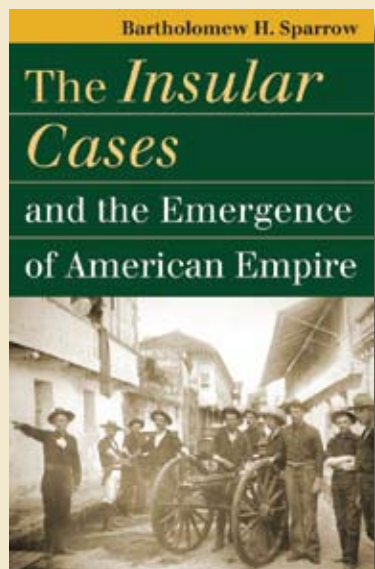

The Insular Cases and the Emergence of American Empire

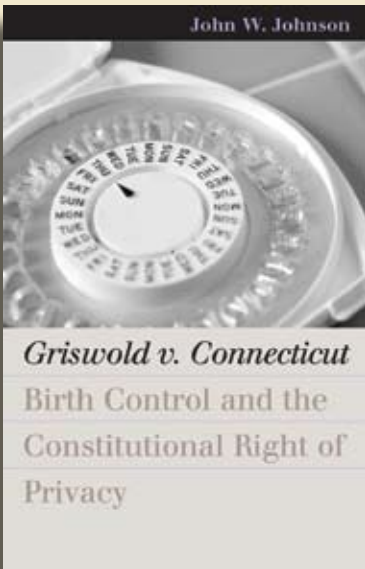

Bartholomew H. Sparrow

“A scholarly feat. Not only does Sparrow make the complex legal argument crystal clear, but he also delves deeply into the political and cultural factors underlying each opinion. . . . His work is also a study of empire, formal and informal, at the turn of the nineteenth century that he makes fascinatingly relevant to our own time.”—*Journal of American History*

“An impressively researched and detailed work of political and legal history. . . . This will be an invaluable reference to anyone seeking to understand the historical and political context of these unjustly neglected cases.”—*Law and Politics Book Review*

256 pages, (1481) \$35.00 cloth, (1482) \$16.95 paper

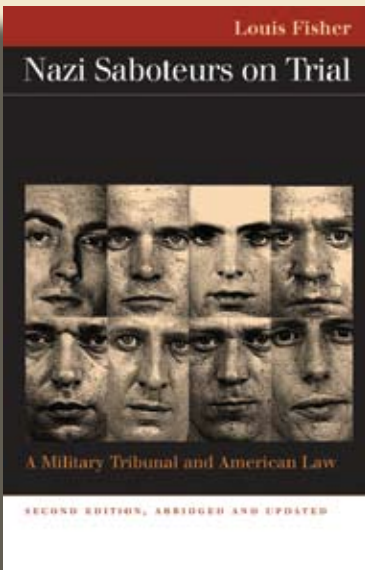

Griswold v. Connecticut
Birth Control and the Constitutional Right of Privacy

John W. Johnson

“An illuminating, lucid account of how the argument for a right to contraception moved from the radical feminist fringe to recognition by the Supreme Court as a basic human right—later extended to abortion and gay/lesbian sex.”—David A.J. Richards, author of *Women, Gays, and the Constitution: The Grounds for Feminism and Gay Rights in Culture and Law*

“Demonstrates that the constitutionally protected right to privacy, as defined by *Griswold*, is only of recent vintage but has ramifications for American law and politics that are likely to last for many years.”—Philippa Strum, author of *When the Nazis Came to Skokie: Freedom for Speech We Hate*

272 pages, (1377) \$35.00 cloth, (1378) \$15.95 paper

Nazi Saboteurs on Trial
A Military Tribunal and American Law
Second Edition, Abridged and Updated

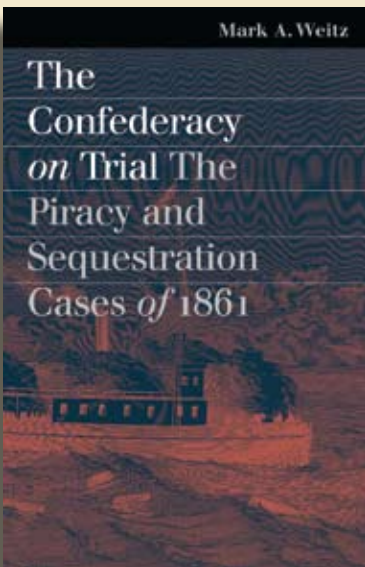

Louis Fisher

“Fisher’s account could not be more timely. . . . Useful to both students and scholars while providing a somber warning for the present and future.”
—*Journal of American History*

“A well-written, timely history that belongs in all research, university, and general libraries. . . . Will inform policy debates . . . on the scope of presidential power and the role of courts in protecting civil liberties.”—*American Historical Review*

“If there is a better source [on this subject] for the general reader, I am unaware of it.”—John W. Dean, author of *Worse Than Watergate: The Secret Presidency of George W. Bush*

204 pages, (1387) \$15.95 paper

The Confederacy on Trial
The Piracy and Sequestration Cases of 1861

Mark A. Weitz

“Illuminates long neglected aspects of the legal history of the Civil War.”—Harold Hyman, author of *A More Perfect Union: Constitutional Impacts of the Civil War and Reconstruction*

“Rescues the 1861 piracy and sequestration cases from undeserved obscurity and adds another layer to our understanding of the constitutional history of the Confederacy and the Civil War.”—Timothy S. Huebner, author of *The Southern Judicial Tradition*

224 pages, (1385) \$35.00 cloth, (1386) \$15.95 paper

The Slaughterhouse Cases Regulation, Reconstruction, and the Fourteenth Amendment

Abridged Edition

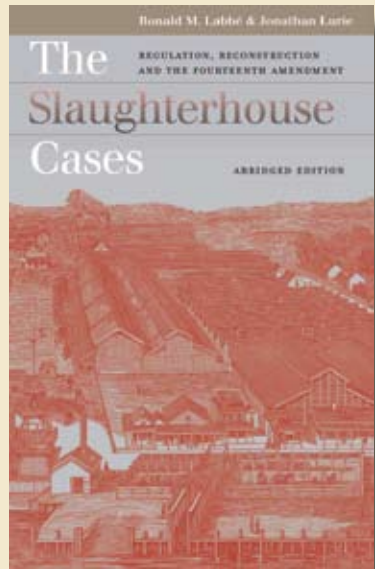

Ronald M. Labbé and Jonathan Lurie

“Labbe and Lurie have painted, with graceful style, a magnificent panorama of a key episode of nineteenth-century legal history. . . . From their vivid description of the public health hazards afflicting nineteenth-century New Orleans to their superb chapter surveying the Supreme Court led by Chief Justice Chase, this is compellingly readable history.”

—*Journal of American History*

“An outstanding and illuminating book, deeply researched and beautifully written.”—Lawrence M. Friedman, author of *A History of American Law*

200 pages, (1409) \$15.95 paper

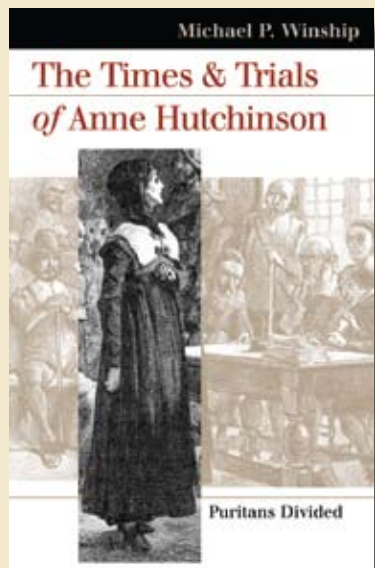

The Times and Trials of Anne Hutchinson Puritans Divided

Michael P. Winship

“The single most comprehensive account of the often-misinterpreted trials of one of America’s first great dissenters. Winship’s unparalleled understanding of seventeenth-century New England Puritanism supplies a context too frequently missing from previous accounts.”—Mary Beth Norton, author of *In the Devil’s Snare: The Salem Witchcraft Crisis of 1692*

“A must read for those interested in early Massachusetts society . . . [and] in the church’s endless search for heretics.”—*Journal of Church and State*

184 pages, (1379) \$35.00 cloth, (1380) \$14.95 paper

Animal Sacrifice and Religious Freedom

**Church of the Lukumi Babalu Aye v.
City of Hialeah**

David M. O’Brien

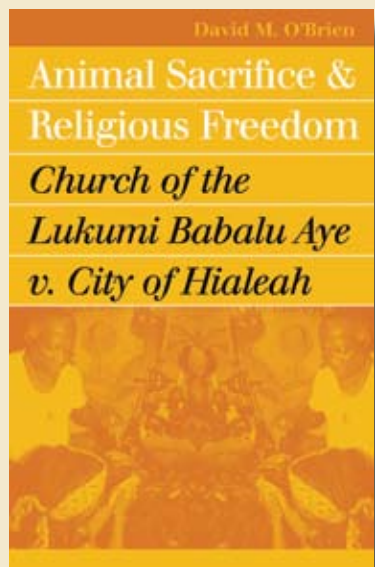

“A fascinating tale told with O’Brien’s signature stylish flair and deep understanding of the legal issues central to this case. Should appeal to anyone who loves a great story and cares about the tug-of-war between government regulation and religious freedom.”

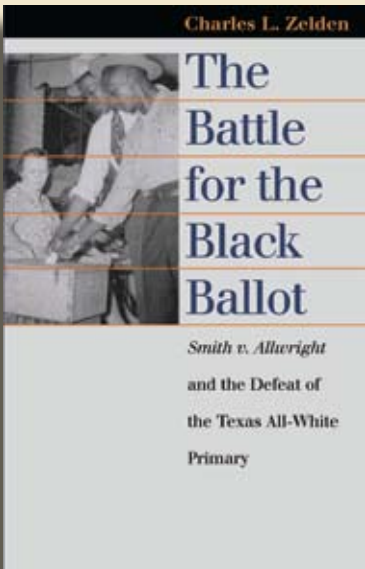

—Nadine Strossen, President, American Civil Liberties Union, and Professor of Law, New York Law School

“A riveting, blow-by-blow account of one of the most interesting religious freedom cases to be decided by the Supreme Court in the twentieth century.”

—Derek Davis, author of *Original Intent: Chief Justice Rehnquist and the Course of American Church/State Relations*

208 pages, (1302) \$29.95 cloth, (1303) \$12.95 paper

The Battle for the Black Ballot

Smith v. Allwright and the Defeat of the Texas All-White Primary

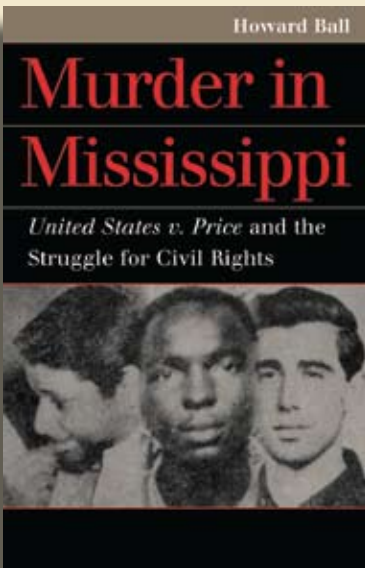

Charles L. Zelden

“Zelden places this landmark decision in historical context that deepens our comprehension of the racial politics of law. . . . A splendid contribution to American political, social, and legal history.”

—Darlene Clark Hine, author of *Black Victory: The Rise and Fall of the White Primary in Texas*

“A richly detailed and eminently readable account of one of the first triumphs in the struggle for racial equality. Highly recommended!”—Tinsley Yarbrough, author of *Race and Redistricting: The Shaw-Cromartie Cases*

168 pages, (1339) \$29.95 cloth, (1340) \$12.95 paper

Murder in Mississippi

United States v. Price and the Struggle for Civil Rights

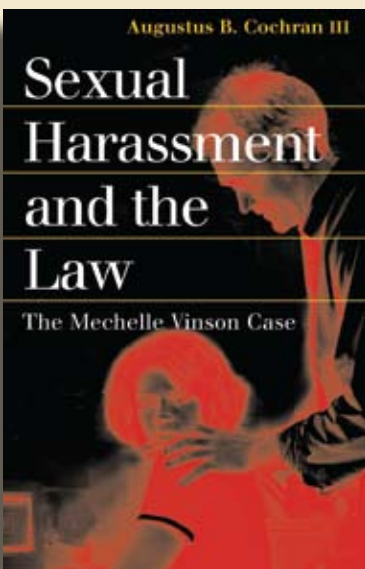

Howard Ball

“A Gothic journey into the racist nightmare of state-sponsored terrorism and murder, Ball’s definitive account also reveals the redemptive power of American democracy and the rule of law.”

—William Doyle, author of *An American Insurrection: The Battle of Oxford, Mississippi, 1962*

“A powerful evocation of a tragic time and place in our national history, Ball’s book captures the moment brilliantly and tells an important story.”—Neil McMillen, winner of the Bancroft prize for *Dark Journey: Black Mississippians in the Age of Jim Crow*

192 pages, (1315) \$29.95 cloth, (1316) \$12.95 paper

Sexual Harassment and the Law

The Mechelle Vinson Case

Augustus B. Cochran III

“This is much more than a story of a single case. It provides a panoramic overview of the role of work in women’s lives, a succinct history of employment discrimination law, and a penetrating analysis of the evolution of our views of sexual harassment in the workplace.”—Karen O’Connor, author of *Women, Politics, and American Society*

“After Vinson, nothing was the same. Cochran does a masterful job of setting the case in its historical context and exploring its legal impact.”—Judith A. Baer, author of *Our Lives before the Law: Constructing a Feminist Jurisprudence*

256 pages, (1322) \$29.95 cloth, (1323) \$14.95 paper

Brown v. Board of Education
Caste, Culture, and the Constitution

Robert J. Cottrol, Raymond T. Diamond, and Leland B. Ware

“A vivid and comprehensive account of the historical, legal, and political dramas surrounding one of the most important Supreme Court cases of the twentieth century. With humanity and wisdom, the authors defend the decision from some of its most influential critics and evaluate the forces that shaped it as well as those that it set into motion. Accessible and shrewd in its judgments, this will be one of the definitive accounts of the Brown decision for years to come.”—Jeffrey Rosen, legal affairs editor of *The New Republic* and author of *The Unwanted Gaze: The Destruction of Privacy in America*

304 pages, (1288) \$25.00 cloth, (1289) \$15.95 paper

Selection of the History Book Club

The Great New York
Conspiracy of 1741
Slavery, Crime, and Colonial Law

Peter Charles Hoffer

“Did slaves and poor whites conspire to destroy New York in the summer of 1741? If you thought the case is closed, think again. Hoffer’s meticulous reconsideration of the record builds convincingly toward a conclusion that is both sensible and original. A landmark study by one of our top legal historians.”

—Edwin G. Burrows, coauthor of *Gotham: A History of New York City to 1898*

“Provides teachers, students, and general readers quick entry to still troubling issues in American history.”—Thomas J. Davis, author of *A Rumor of Revolt: The “Great Negro Plot” in Colonial New York*

200 pages, (1246) \$14.95 paper

Slave Law in the American
South
State v. Mann in History and Literature

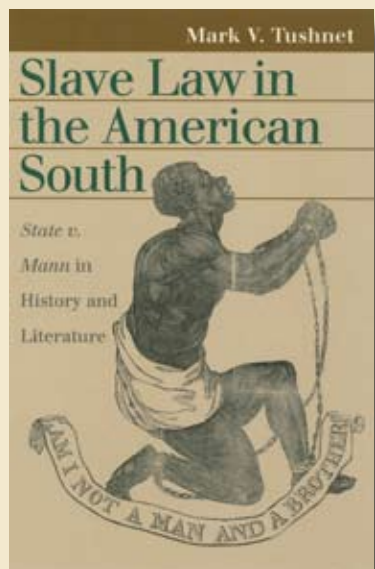

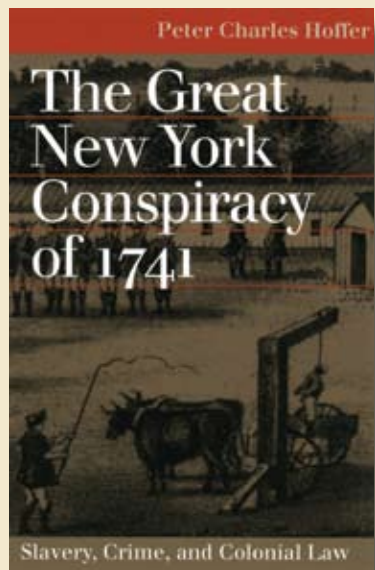

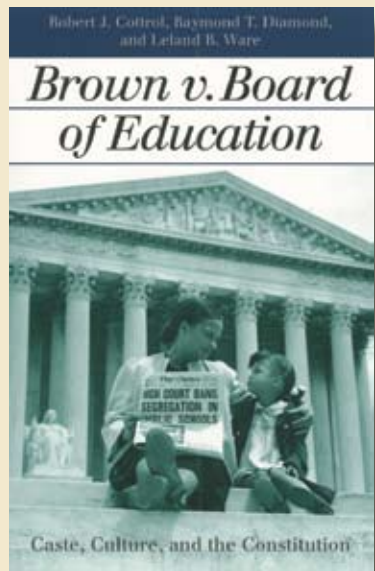

Mark V. Tushnet

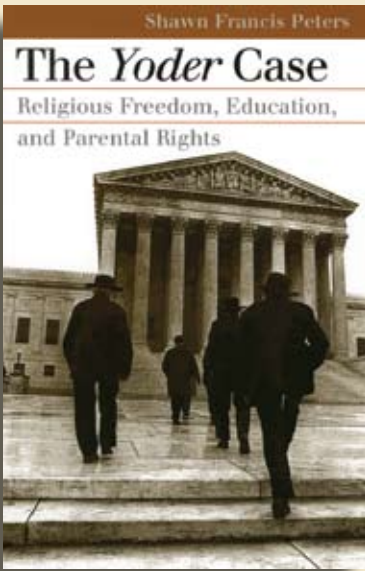

“While losing neither objectivity nor moral compass, Mark Tushnet skillfully navigates the murky waters of Southern judicial and legal logic. His inspired study highly deserves close and serious attention.”

—Bertram Wyatt-Brown, author of *The Shaping of Southern Culture: Honor, Grace, and War, 1760–1880s*

“Tushnet has given us the first book-length study of a classic American slave case. Comprehensive and insightful, it merits the attention of legal scholars, historians, and non-specialists alike.”—Timothy S. Huebner, author of *The Southern Judicial Tradition*

152 pages, (1271) \$12.95 paper

The Yoder Case

Religious Freedom, Education, and Parental Rights

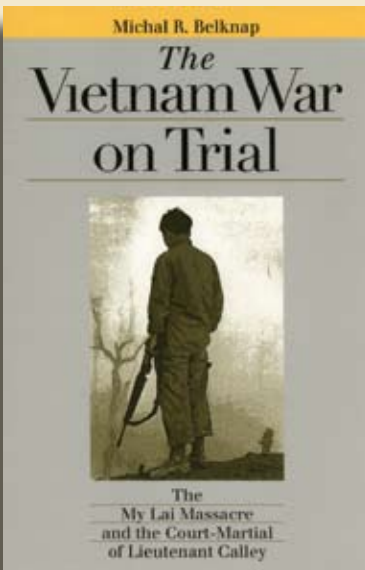

Shawn Francis Peters

“Sympathetic, yet rigorous, and grounded in a thorough grasp of Amish culture, this superb book shows how Amish religious convictions have reshaped religious liberty for all Americans.”—Donald B. Kraybill, author of *The Amish and the State*

“A masterly study of a case at the very heart of what free exercise of religion means.”—Melvin I. Urofsky, author of *A March of Liberty: A Constitutional History of the United States*

“An extremely illuminating study of a profound human drama.”—Sanford Levinson, author of *Constitutional Faith*

216 pages, (1273) \$14.95 paper

The Vietnam War on Trial

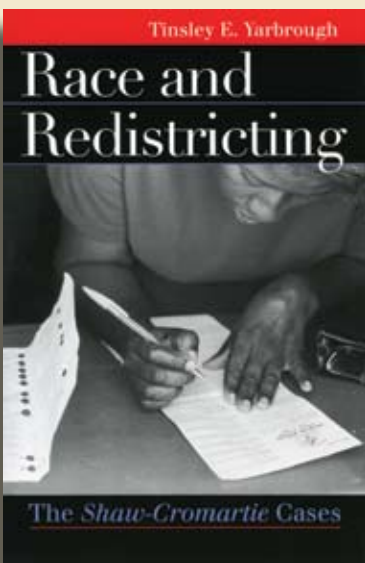

The My Lai Massacre and the Court-Martial of Lieutenant Calley

Michal R. Belknap

“A wise, discerning, and powerful account of a notable trial that illuminates the larger meaning of the Vietnam War. Belknap’s extraordinary analysis of the My Lai story skillfully explores the atrocities, the cover-up, and the political manipulation of the affair, and takes us beyond contemporary journalism to the complex history of what happened—and why.”—Stanley Kutler, author of *The Wars of Watergate*

“I thought I’d overdosed on books about Vietnam years ago, but this one is terrific. It somehow manages to maintain its balance without losing its power to mesmerize.”—John Hart Ely, author of *War and Responsibility: Constitutional Lessons of Vietnam and Its Aftermath*

272 pages, (1212) \$15.95 paper

Race and Redistricting

The Shaw-Cromartie Cases

Tinsley E. Yarbrough

“An excellent case study that carefully critiques the workings of the Supreme Court and provides a warm, moving portrait of the protagonists in this contemporary political drama. Bravo!”—Howard Ball, author of *The Bakke Case: Race, Education, and Affirmative Action*

“Offers piercing tales of the dramatis personae in one of the most important areas of contemporary constitutional law.”—Mark E. Rush, coauthor of *Fair and Effective Representation? Debating Electoral Reform and Minority Rights*

Igniting King Philip's War The John Sassamon Murder Trial

Yasuhide Kawashima

"Kawashima has provided a thorough yet concise treatment of the most important legal proceeding in the history of England's North American colonies. It is a pleasure to follow his detective work through the maze of forensic possibilities in the John Sassamon case."—**James D. Drake**, author of *King Philip's War: Civil War in New England, 1675–1676*

"The fact that this case became one of those crucial flash-points in relations between natives and newcomers makes this book especially important. What emerged in that courtroom, and in the executions that followed, was the deep and abiding mistrust that had developed between various groups of peoples in seventeenth-century Massachusetts. Will intrigue readers both inside and outside academe."—**Peter Mancall**, author of *Deadly Medicine: Indians and Alcohol in Early America*

Clergy Malpractice in America

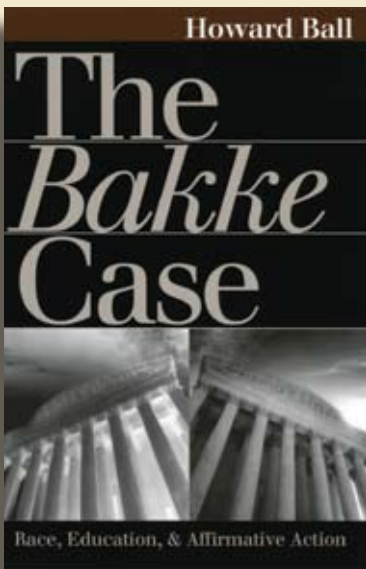

Nally v. Grace Community Church of the Valley

Mark A. Weitz

"As we move ever further in the direction of looking to 'faith-based institutions' to administer basic programs of the welfare state, the issues raised by Weitz—including whether church officials should be exempt from the same kind of liability that applies to secular professionals—will become ever more important."—**Sanford Levinson**, author of *Constitutional Faith*

The Bakke Case **Race, Education, and Affirmative Action**

Howard Ball

“Helps general readers understand this celebrated affirmative action case and provides valuable insights into the process by which Supreme Court justices decide cases and write opinions.”—Mark V. Tushnet, author of *Making Civil Rights Law: Thurgood Marshall and the Supreme Court, 1936–1961*

256 pages, (1046) \$12.95 paper

Religious Freedom and Indian Rights **The Case of Oregon v. Smith**

Carolyn N. Long

“Carolyn Long nimbly analyzes the jumbled issues of religion, Native American rights, drug use, state authority, and congressional activism to produce an arresting analysis of one of the Supreme Court’s landmark cases of modern religious liberty.”

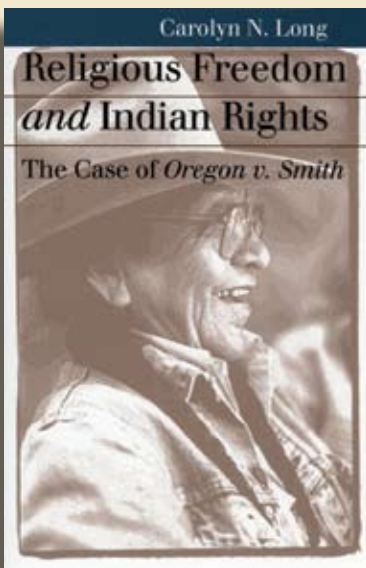

—Kermit Hall, author of *The Magic Mirror: Law in American History*

“What makes this excellent book especially gripping is its human dimension: the actual people—and their networks of associations, including the Native American churches—behind the litigation.”

—Sanford Levinson, author of *Constitutional Faith*

“A superbly researched and carefully crafted history.”
—John R. Wunder, editor of *Native Americans and the Law*

Lethal Judgments **Assisted Suicide and American Law**

Melvin I. Urofsky

“Among the many bioethical quandaries of our time, physician-assisted suicide is perhaps the most disquieting. In response, Urofsky has fashioned a succinct yet remarkably wide-ranging introduction that clarifies this controversial topic. After sketching the history of ‘the right to die,’ he leads us deftly through the intricacies of recent court decisions. Throughout, he manages to express sophisticated legal and ethical analysis in terms that laypersons can readily understand.”—Peter Filene, author of *In the Arms of Others: A Cultural History of the Right-to-Die in America*

“Urofsky puts the most complex legal and ethical issue of our time into understandable, non-lawyer language.”—Derek Humphry, author of *Final Exit*

192 pages, (1011) \$12.95 paper

Marbury v. Madison

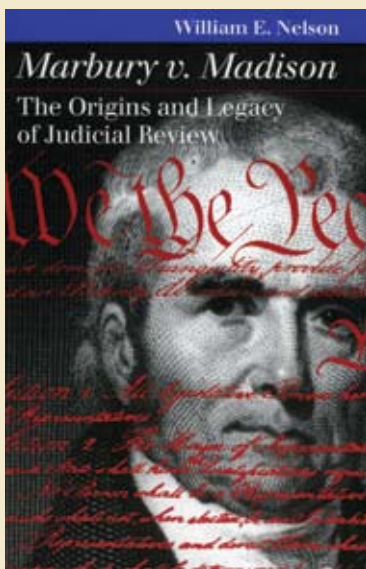

The Origins and Legacy of Judicial Review

William E. Nelson

“William Nelson, the country’s ablest legal historian, has written the most concise yet thoughtful analysis of the first great landmark case in the canon of American constitutional law. Nelson deftly situates *Marbury* in its own time while illuminating its continuing significance for our own era. This is a book from which scholars and students at every level will learn.”—**Jack N. Rakove**, author of *Original Meanings: Politics and Ideas in the Making of the Constitution*

“This deft and provocative study is at once an incisive history and a reflective meditation on the legitimacy of judicial review.”—**Charles F. Hobson**, author of *The Great Chief Justice: John Marshall and the Rule of Law*

Flag Burning and Free Speech

The Case of Texas v. Johnson

Robert Justin Goldstein

“Goldstein captures magnificently the essence of the landmark flag-burning case, a conflict that crystallizes the ongoing American debate over the core meaning of freedom of speech.”—**Rodney A. Smolla**, author of *Free Speech in An Open Society*

“A remarkable and indispensable work, Goldstein’s definitive history scrupulously presents both sides of the intense debates over efforts to establish a constitutional amendment prohibiting flag desecration.”—**Nat Hentoff**, author of *Living the Bill of Rights*

272 pages, (1054) \$14.95 paper

The Pullman Case

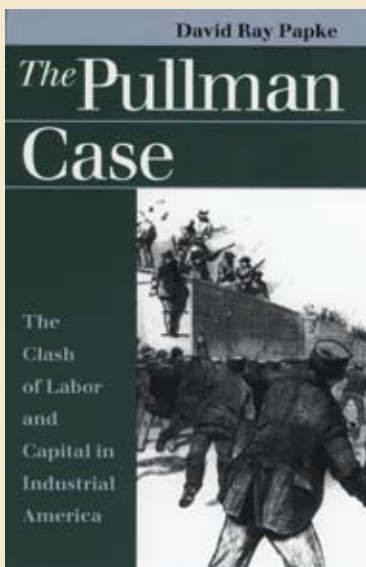

The Clash of Labor and Capital in Industrial America

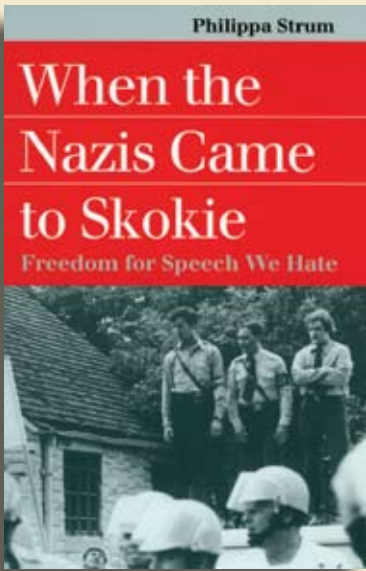

David Ray Papke

“*In re Debs* is a landmark by any standard. It set certain key terms of federal labor law for decades to come and signaled the new but burgeoning involvement of federal courts in suppressing railway strikes and boycotts. What is more, the case is an enormously revealing chapter in the history of Gilded Age America, dramatizing some of the era’s most pressing social and cultural conflicts. Papke explores these themes in a clear, rich, and provocative fashion.”

—**William E. Forbath**, author of *Law and the Shaping of the American Labor Movement*

The Salem Witchcraft Trials A Legal History

Peter Charles Hoffer

“This book provides perhaps the best one-volume introduction to an episode that has challenged historians for centuries. It provides not only a lucid and engrossing narrative but also satisfying explanations that seamlessly interweave the best of modern scholarship.”—David Thomas Konig, editor of *Devising Liberty: Preserving and Creating Freedom in the New American Republic*

“Hoffer writes with a rare lucidity and vividness, and with a rare compassion as well. He makes the actors in this perplexing drama as comprehensible as they are ever likely to be.”—Michael Zuckerman, author of *Almost Chosen People* and *Peaceable Kingdoms*

160 pages, (0859) \$12.95 paper

Affirmative Action on Trial Sex Discrimination in *Johnson v. Santa Clara*

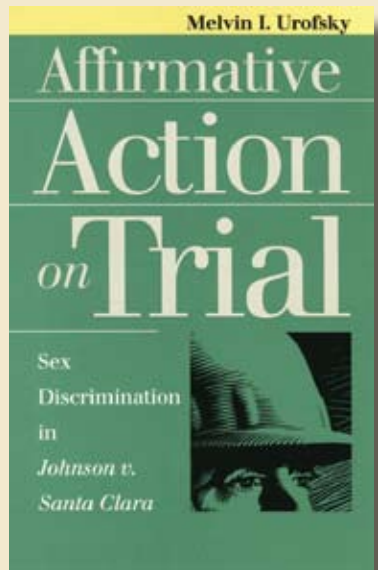

Melvin I. Urofsky

“Teachers will welcome this book as an unparalleled blend of exacting legal scholarship with engaging narrative history. Urofsky skillfully weaves dialogue, novelistic narrative, and extensive interview quotes with discerning policy and legal analysis. In the grand tradition of Anthony Lewis, he shows how great movements in law and society impact ordinary people, and how their universal striving for fair play and equal treatment moves legal discourse. Students and teachers alike will cherish this book.”

—William M. Wiecek, author of *Liberty under Law: The Supreme Court in American Life*

“An ideal primer on affirmative action.”—Kermit Hall, author of *The Magic Mirror: Law in American History*

The Reconstruction Justice of Salmon P. Chase *In Re Turner and Texas v. White*

Harold M. Hyman

“This is constitutional history as it should be written, but seldom is. Combining an excellent sketch of Chase’s life with the social, intellectual, and moral climate of the times, Hyman provides a brilliant analysis of two landmark decisions. He also presents a stimulating, original, and provocative treatment of the Chase Court that sheds new light on our understanding of the thirteenth and fourteenth amendments.”—John Niven, editor of *The Salmon P. Chase Papers*
